Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love. A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

I am	Describe customer with 3-4 key characteristics - who are they?	Describe the customer and their attributes here
I'm trying to	List their outcome or "job" the core about - what are they trying to achieve?	List the thing they are trying to achieve here
but	Describe what problems or barriers stand in the way - what bothers them most?	Describe the problems or barriers that get in the way here
because	Enter the "root cause" of why the problem or barrier exists - what needs to be solved?	Describe the reason the problems or barriers exist
which makes me feel	Describe the emotions from the customer's point of view - how does it impact them emotionally?	Describe the emotions the result from experiencing the problems or barriers

Example:

I am

a cosmetic buyer / beauty enthusiast

I'm trying to

find the best cosmetic products and brands

But

it is difficult to analyze large cosmetic data

Because

information is scattered and hard to compare

Which makes me feel

confused and unsure about my choices

Customer Problem Statement Template

I am

Skincare User

Makeup User

Salon Customer

Gift Shopper

Online Shopper

I'm trying to

Find the best products

Compare brands

Check product ratings

Know suitable products for skin type

Analyze prices

Discover trending products

Make smart purchase decisions

Save time in research

But

Too many products available

Data is in large volume

Hard to compare brands

Different prices on different platforms

Ratings are scattered

No clear summary of trends

Time taking to analyze

Information is not in one place

Because

Information is scattered

No single platform for analysis

Lack of visual insights

Difficult to understand data

No interactive dashboard available

Manual comparison is hard

Too much time required

Confusing product details

Which makes me feel

Confused

Unsure

Overwhelmed

Frustrated

Time consuming

Doubtful about choices

Unable to trust information

Unsatisfied
